

Authorization for Dispensing Medications to Children and Youth Long-Term Medications (Prescription and Non-Prescription)

Prescription medications must be in their original containers labeled with the child's or youth's first and last name, the date the prescription was filled, the name of the licensed physician or licensed nurse practitioner who wrote the prescription, the expiration date of the medication, and specific and legible instructions for administration and storage of the medication. Administer the medication according to the instructions. Non-prescription medications can be given by permission and direction from the parent, guardian or legal custodian based on general advice received from the child's or youth's physician. Administer nonprescription medication from the original container labeled with the first and last name of the child or youth and according to the instructions on the label. A record of administration must be kept.
